TEMPE NEWS NOTES
ANNUAL TEMPE NORMAL 'VARSITY GAME TODAY

U. of A. Team Arrives This Morning for Game With Pedagogues. Schaeffer's Men in Shape.

"When Normal Meets the U. of A." is the song of the Pedagogues today, and the three hundred and seventy-five students are giving vent to all of their pent up enthusiasm in anticipation of the season's greatest game on the campus this afternoon at 4 o'clock. The boys from the University will arrive in Tempe this forenoon and immediately thereafter will begin a program of events lasting late into tonight, for as a last means of displaying the normal's hospitality, a dance is to be given this evening in the gym.

Coach George Schaeffer of the normals has much to say of the ball game with the Varsity boys, all pointing out his text to keep the honors at home and walk away with the victory as was successfully accomplished a year ago. His drill with the squad has been never tiring every night this week and every fellow has made to learn his position by heart. Henry Armenta, one of the best school pitchers in the valley, has been selected for slub duty, and as his battery mate, Captain McCreary will work behind the bat. The infield remains unchanged with the exception of third, where Lewis is replacing Armenta. Roberts is on first, Hottel on second and Perry on short. In the outfield are Castle, Brady and Roberts, the same old trio.

Little is known of the Varsity squad, aside from the fact that Lucky McGowan, he who so successfully cared for the mound work with the Mesa Jewels last season, will probably pitch. The remainder of the squad will be lined up about like this: Meyer, catcher; Beach, first base; Warner, second base; Ryan, shortstop; Payne, third base; Hammels, right field; McPherson, center field; Hays, right field; Cole and Brown, substitutes.

The game will be played on the normal grounds starting immediately after the close of school. J. W. Arnold is the officiating umpire.

WE HAVE A PIANO in the vicinity of Mesa that has had substantial payments on it which can be purchased for the balance due on the contract. An excellent bargain. Write Redwell Music Co., Phoenix, Arizona—Advertisement.

C. E. SOCIAL
There will be a social at 7:30 o'clock in the Christian Church, given by the Reds complimentary to the Blues, who were their victors in a recent contest in the society. Every member of the society is invited to be present and is assured a royal good time, for the program committee has planned some real fun. The social will commence promptly at 8 o'clock and will be in the church.

S. S. TEACHERS TO MEET
Officers, teachers and workers of the Christian Sunday School are requested to meet tonight at 7:30 o'clock in the Christian parsonage. There will be some matters of real importance up for consideration and all are urged to be on hand.

ADDRESSES THE NORMAL
Rev. J. R. Rountree was present and delivered an "after breakfast" talk to the students of the Normal school yesterday morning at assembly. This was Mr. Rountree's first visit since the holidays and he was received with considerable appreciation, his discussion being of "The Business of Holding the Job."

CLUB MEETING OFF
The final meeting of the Women's Club of Tempe due to be held tomorrow afternoon, has been cancelled.

WITH THE MOVIES
"The Lion, the Lamb and the Man," a two-act Rex drama, heads the program of motion pictures at the Goodwin Opera house in Tempe tonight. The animated weekly is also on the program, showing an even dozen of the late important world's happenings. The fourth reel is entitled "The Persistent Lovers," a crystal comedy.

SHOW WELL PLEASES
The presentation of "The Winning of Barbara Worth," at the opera house Wednesday evening attracted one of the largest audiences of the season and everybody was heartily pleased.

WOODMEN IN PHOENIX
A number of the members of the local Modern Woodmen lodge visited the courtroom of said Court, in the Court House, in the City of Phoenix, County of Maricopa, State of Arizona, and all persons interested in said estate are notified then and there to appear and show cause, if any they have, why the prayer of said petitioner should not be granted.

Dated March 9th, 1915.

VISITING PARENTS
Mrs. W. N. Chambers, accompanied by her children, is spending a few days in Tempe visiting her parents, Mr. and Mrs. C. L. Hoon at their home on West Fifth street. Mrs. Chambers' home is in the Imperial Valley, California.

ONE WHEEL FOUND
One of the two wheels stolen from Tempe Tuesday evening was picked up on the state highway a mile or so north of town the following day. It was owned by F. M. Irish, and in his opinion happened to be left where it was because the thief thought someone was chasing him. The Rayevale wheel stolen from Chas. H. Prather on the same evening is still missing.

WILL VISIT SON
Henry S. Groff, Sergeant Major of the United States Army, will leave today for Portland, Oregon, where he will spend the next four months with his son. Groff has been awarded for the local militia since its occupancy of the new quarters in the Lexington block.

MESA NEWS NOTES

MANY NEW BOOKS COME FOR LIBRARY

The Librarian at the Mesa Public Library, has just received a large number of new volumes of popular fiction. These have been classified and are ready for distribution. The list of the titles and authors show a careful selection. The books were purchased from the money received at the last library dinner, after the current expenses had been deducted.

The members of the new board are anxious that a substantial amount of new material be added from time to time, to that already on hand, and are planning new efforts to this end. Among the titles of the new books which were received in the last installment are the following:

"The Blindness of Virtue," "The

cure of the century, the new way, the sure, painless, simple way. It makes a fellow really feel foolish after he's used toe-eating salves, corn-biting ointments, toe-banding bandages, blood-bringing razors, knives, files, scissors, jabbers and what-nots, when he uses just 2 drops of "GETS-IT" and sees his corn vanish.

The difference is divine. Just try it. You won't win when you put on your shoes in the morning. "GETS-IT" is sure. FINANCES AND MARKETS

[ASSOCIATED PRESS DISPATCH]
NEW YORK, March 11.—The reaction tendencies of the previous session, were lacking in today's stock market, prices showing a firm under-tone on very moderate output dealings. The success of the New York state bond sale, which may be followed by a municipal offering of no inconsiderable amount, additional gold imports from Japan, with prospects of further drafts upon Britain's gold stores in Canada, were factors of sentimental value.

Other developments which contributed to a better tone of the market include more record breaking exports and additional price advances of certain finished steel products.

The sale of the Erie railroad of \$10,000,000 one year five per cent notes, really constituting an enlarged extension of the note issue expiring April 1 next, gave rise to reports of more railway and industrial financing.

Exchange markets took a more variable tone and more than the usual amount of business in stocks was devoted to automobile shares, which closed with gains of one to six points. Trading was confined largely to specialties in issue and outside interests were negligible. Other semi-active stocks made one or two points gains, chief exceptions being Woodworth, United Railway preferred, American Sugar preferred and Southern Railway preferred. The Erie was the strongest of the railway division.

Total sales of stocks, 172,000 shares. Bonds were mainly irregular, the only feature being the weakness of New York Central debenture 6's. Total sales represented a par value of 1,887,000. Panama registered 4's declined 1/2 per cent on call.

LARGE PER CENT OF LAMBS
That the lambing season this year will average over one hundred and ten per cent, is now estimated by several of the owners who have large herds of sheep on the desert. As this increase is considerable over that of the average year, it is due to the many favorable conditions which have prevailed. Among these being, in addition to the plentiful supply of good feed, the few variations in the weather conditions, and the fact that the flocks have been practically free from the depreciations of wild animals.

PLAYMATE OF HELEN KELLER
Mrs. E. C. Stultz left for Phoenix yesterday, where she will visit with her parents for several days. During her stay there she will attend the lecture given by Helen Keller, and later the reception which is to be given for her.

The former home of Mrs. Stutz, in Tusculum, Alabama, was near that of the famous, dumb and blind girl, of whom she was a playmate, and is accompanied with many of the incidents of her childhood.

A Knottman made a carload shipment of horses, all of which were purchased in this vicinity, to R. L. Slaughter of Tucson.
